

SHSM **VIRTUAL** LEADERSHIP CERTIFICATION WORKSHOPS

OELC, (Ontario Educational Leadership Centre) is pleased to be able to support schools and Specialist High Skills Major programs throughout the province with a bundle of virtual signature certification opportunities.

UNIQUE PACKAGE

The unique package of Communication Skills, Group Dynamics, and Leadership Skills will continue to support the trademark OELC leadership development opportunities that are carefully planned to build student capacity as leaders in their school, workplace, and community.

DESIGNED FOR MULTIPLE SECTORS

SHSM Leadership is designed for multiple sectors and support for Grade 11 and 12 students who are exploring their career goals and are looking to gain important skills and required certifications.

VIRTUAL FORMAT

While COVID-19 has made live workshops more complicated, our certifications are led and supported by qualified teachers who can bring you the innovative OELC leadership development sessions in a virtual format.

STUDENT SUPPORT

An OELC experience strives to foster and support the personal, interpersonal, and critical thinking skills of students in all sectors and in the development of a positive school climate.

A WIDE VARIETY OF COURSES

OELC (Ontario Educational Leadership Centre) offers a wide variety of courses for young leaders across Ontario. For over 70 years, our centre has shared its knowledge and experience with over 60,000 young people in Ontario.

Secondary students are invited to attend our virtual SHSM Leadership course. OELC/CASO provides leadership development sessions that empower students to use their voice for positive change in their school and/or local community. Supporting teacher advisors are encouraged to join us.

Workshops

Each workshop is special and provides students with unique ideas that teach them about themselves and others.

There are three (3) individual certifications

Communication Skills

Participants will identify the various communication skills to better equip them for success in their SHSM sector. Inter-active sessions will support a better understanding of the ability to express ideas, listen and respond to others, interpret information effectively and understand non-verbal cues will help to provide the necessary steps that will support a variety of activities in the workforce.

Group Dynamics

Participants will engage in a variety of interactive opportunities to experience the 5 stages of the group development process and the factors that affect the interaction of people within groups. The desired outcomes associated with the workshop will provide participants with strategies that can be used to support group effectiveness at school, in the community or within the SHSM sector. Participants will also be able to reflect on the individual behaviours and attitudes to contribute to effective group success and how to support others in a group situation.

Leadership Skills

Participants will explore the concept of leadership and examine the various skills, attributes, and styles that leaders can use in a variety of situations. Through an inquiry-based learning opportunity, this analysis of the various characteristics of effective leaders, will allow participants to explore their personal leadership skills and attributes related to their SHSM sector needs and experiences.

Who attends SHSM Leadership:
